

**REMARKS**

Applicants appreciate the careful consideration and favorable treatment of the present application in which claims 7-12 stand allowed and claims 3-5 stand objected.

Claim 2 stands rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claim 2 of U.S. Patent No. 6,663,588.

Applicants submit herewith a timely filed terminal disclaimer. Accordingly, this ground of rejection should be withdrawn.

Claims 3-5 should be allowed as depending from what should be an allowed independent claim 1.

Claims 7-12 stand allowed.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

It is believed that no fees are due or that all fees have been paid; however, if the Patent Office believes that fees due, Deposit Account No. 50-4570 can be accessed up to \$500.00.
